

Hino Best of Best Vendor Award

Rastgar Engineering Company received **'Best of the Best Vendor Award 2013'** from Hinopak Motors in recognition of consistently providing high quality products. This award is presented to the vendor who has shown highest level of excellence among all vendors, over a period of 12 months. Rastgar MD Intiaz Rastgar received the award from GM Hinopak Motors. He acknowledged Rastgar's role in their business success and appreciated product quality, customer service, and timely delivery. Winning of this prestigious award puts another stamp on credibility of Rastgar as a value oriented wheel hub vendor for OEMs and aftermarket suppliers. Rastgar aims to continue serving its valuable customers in a more efficient way.

Automechanika Dubai

Rastgar participated in Automechanika Dubai, the largest international automotive trade exhibition in the Middle East, from 3rd to 5th June 2014. Rastgar products received a high level of trust from many customers during the exhibition. More than 150 visitors visited Rastgar stand, which shows the growing recognition of Rastgar as a leading supplier of wheel hubs. The exhibition provided a good opportunity to meet existing customers, establish new business relationships, and get a chance to assess current market needs.

Hepatitis-B Vaccination

Contributing towards a healthy community has always been Rastgar's motto. Rastgar organised Hepatitis-B vaccination camp for all its team members to provide immunity and raise awareness about Hepatitis on 23rd May 2014 at Rastgar factory premises. Hepatitis-B is a liver disease caused by the Hepatitis-B Virus (HBV), leading to swollen liver resulting in cancer and liver failure; vaccination is the best way to prevent it. A panel of medical professionals briefed Rastgar team about symptoms of liver related ailments, precautionary measures, screening, vaccination, and timely treatment.

PAPS Lahore 2014

Rastgar Engineering Company exhibited in one of the largest automotive trade fairs 'Pakistan Auto Parts Show' (PAPS), held in Lahore expo centre from 6th-8th March, 2014. More than 200 customers visited Rastgar stand and expressed keen interest in Rastgar products. Rastgar's newly developed trailer wheel hub 'RTR' (a complete wheel hub for heaviest duty axle; with bearings, bolts, gas kit, and oil seal, and loading capacity of 40 tons) received immense praise from the local market distributors. OEMs expressed their willingness to further develop their business relationship with Rastgar.
