PAKISTANI EXPORTER OF AUTO PARTS EARNS OHSE AWARD

KARACHI, April 28, 2010: High OHSE standards at Rastgar Engineering, a leading vendor and exporter of auto parts, earned a ‘Best Practices in Health, Safety and Environment’ award from the Employers’ Federation of Pakistan (EFP). The award was part of a nationwide competition organized by the EFP in collaboration with the International Labour Organization (ILO) to commemorate “International Day on Health and Safety” on April 28, 2010.

In connection with the World Day on Occupational Safety and Health at Work, the Employers Federation of Pakistan (EFP) organized a seminar at the Marriot, Karachi, on Wednesday, 28th April.

Sindh Minister for Health, Dr. Saghir Ahmed, was the chief guest on the occasion. In his speech, he pointed out that the environment of workers health and safety at work places is getting due priority in the country owing to voluntary efforts of the manufacturing community, the Employers Federation of Pakistan. He also lauded the efforts of the ILO in Pakistan to ensure occupational safety and health of the workers at work places in the country.
