## QUALITY POLICY

We, the team members of Rastgar Engineering Company are committed to satisfy our customers by delivering high quality engineering components according to their requirements.

Our strategy, to achieve this high level of customer satisfaction, would be to continually improve the effectiveness of our Quality Management System, upgrade our technology, and improve our working environment, and training, development and empowerment of our team members.

Our Corporate Objectives are continually reviewed to ensure that they reflect the evolving needs of our customers, stakeholders and welfare of our employees in specific, and the society in general.
